BFSB Web Site Information

An overriding objective of BFSB is to make our popular industry web site (**www.bfsb-bahamas.com**) as accessible as possible, and to ensure that users thereof easily find your firm within the Membership Directory feature. We intend to facilitate as much as possible, a process through which site visitors can identify and make contact with BFSB members. One mechanism being employed in this regard is the use of key words in the search 'fields', and we wish to tag each member with as many of these as considered appropriate.

Please review the "Keywords" form and check all that apply to your company as well as the various services offered. Be sure to use the "Others" segment to list any key words relating to your firm we may not have included.

The following items must accompany this application:

- Membership Fee & One-time Application Fee
- Proof of Good Standing Status with Relevant Industry Regulator
- Web Site Search Keywords Form

The following should be considered as well:

- Business Cards for each of the listed contact persons
- Your Company's Brochure and/or Promotional Material(s)
