FINANCIAL SERVICES INDUSTRY EXCELLENCE AWARDS

CORPORATE SOCIAL RESPONSIBILITY (CSR)

Nomination Form

Nominee's Name (Firm or individual)

Firm/Job Title (for individuals)

Type of Business (for firms)

Years in Operation (for firms)

To recognize and celebrate a member firm or individual that has demonstrated exceptional commitment to corporate social responsibility within The Bahamas. This award honors impactful initiatives that contribute to the well-being of the community, environment, and society at large, while reinforcing the values of ethical leadership and corporate citizenship in the financial services industry.

Eligibility:

Open to all financial member firms of the Bahamas Financial Services Board (BFSB), and individual professionals within member firms. The CSR initiative(s) must have been actively implemented since January 1, 2023.

Award Evaluation Criteria:

1. **Nature and Scope of the CSR Initiative**
   Clearly defines the type of initiative (e.g., education, health, environment, youth development, financial literacy, cultural preservation, or community development)
2. **Measurable Impact**
   Provides tangible evidence of positive outcomes—such as community benefit, environmental improvement, or measurable progress in social well-being.
3. **Employee Engagement and Leadership**
   Demonstrates involvement of employees or leadership in CSR efforts, fostering a culture of social responsibility throughout the organization.
   Highlights collaboration with community partners, NGOs, schools, or government entities where applicable.
4. **Sustainability and Long-Term Commitment**
   Illustrates how the CSR initiative is sustained over time for a long-term commitment to social impact —not a one-off activity.
